Notice

Applicants and their families are advised that as a condition of acceptance to serve as a host family, all adult residents of the host household will be required to provide necessary information for, and submit to, the running of a criminal background check on themselves. Persons aged 18 or older will be deemed adults for this purpose. Existence of a felony conviction by any adult in the household at any time in the past will be grounds for exclusion of that household to serve as a host family in the program. Results of the background checks will be treated confidentially. By signing and submitting this application, you consent to this background check.
